

# Self-Assessment of Institutional Websites of PAs

The table displays the number of websites for each of the three possible outcomes of accessibility self-assessment. The website is considered "compliant" if no errors are detected, "partially compliant" if errors are less than 50% of the success criteria, and "non-compliant" if errors exceed 50% of the success criteria.

Monitoring period: 2024

Compliance status	Websites
compliant	6,287
partially-compliant	4,452
