

Accessibility statements of institutional websites

The table lists all the Italian Regions and Autonomous Provinces and shows, for each of them, the number of institutional websites registered in the PA Index and the number of institutional websites that have published at least one accessibility statement by 23 September 2025.

The last column shows the percentage of institutional websites that have published the accessibility statement out of the total number of websites registered in the PA Index.

Monitoring period: year 2025

Latest data update: 23 September 2025

Region or Autonomous Province	Institutional websites (IPA)	Institutional websites statements	Institutional websites with statements compared to the total
Lombardia	3,394	2,169	63.91%
